2. Funding of and Transfer of Assets Into the Distribution Trust

a. Except as otherwise provided in the Plan or the Confirmation Order, on the Effective Date, other than rights under any Executory Contract or Unexpired Lease that is being rejected pursuant to the Plan, the Debtors will transfer all assets remaining in their Estates to the Distribution Trust, including their equity or ownership interest in the Foreign Asset Subsidiaries, and all such assets shall vest in the Distribution Trust, to be administered by the Distribution Trustee in accordance with the Plan and the Distribution Trust Agreement. The assets will be transferred to and vest in the Distribution Trust on the Effective Date, free and clear of all Liens, except as set forth in Section III.J below.

b. Any Cash that is transferred by the Debtors to the Distribution Trust, and thus constitutes the Initial Other Asset Funding Amount, shall be transferred into the Other Asset Trust Account. On the Effective Date, the Debtors and MD Investors shall cause the Initial MD Investors Funding Amount to be released from escrow and transferred into the Recovery Action Trust Account.

c. The Distribution Trustee shall have the authority to create sub-accounts or sub-trusts within the Distribution Trust, which may have a separate legal existence, and which shall be considered sub-accounts or sub-trusts of the Other Asset Trust Account, and into which the Distribution Trustee may deposit any non-Cash property, including real or personal property pending its liquidation. Such sub-accounts or sub-trusts may hold legal title to such property. Once liquidated, any Cash proceeds of such sub-accounts or sub-trusts shall be deposited directly into the Other Asset Trust Account.

d. The act of transferring assets and rights to the Distribution Trust, as authorized by this Plan, shall not be construed to destroy or limit any such assets or rights or be construed as a waiver of any right, and such rights may be asserted by the Distribution Trust as if the asset or right was still held by the applicable Debtor.

3. Oversight Committee

An Oversight Committee shall be established to review and monitor the actions of the Distribution Trustee in its administration of the Distribution Trust. The Oversight Committee shall have standing to be heard in the Bankruptcy Court on all matters brought before the Bankruptcy Court in the Chapter 11 Cases after the Effective Date. The initial members of the Oversight Committee are identified on Exhibit III.C.3 to the Plan. In the event that a member of the Oversight Committee resigns, such member may be replaced by a party that previously served on the Creditors' Committee without order of the Court. If all members of the Oversight Committee resign and no replacements are named, any duties of the Oversight Committee shall be performed by the Distribution Trustee. The Oversight Committee shall not be entitled to reimbursement from the Debtors or the Distribution Trust for any fees or expenses incurred in conducting its duties.

4. Distribution Trustee

a. The initial Distribution Trustee shall be selected by the Creditors' Committee, subject to the consent of the Debtors (with such consent not being unreasonably withheld).

b. The Distribution Trustee shall be the successor to and representative of the Estate of each of the Debtors appointed pursuant to section 1123(b)(3)(B) of the Bankruptcy Code. The powers, rights and responsibilities of the Distribution Trustee shall be specified in the Distribution Trust Agreement and shall include the authority and responsibility to fulfill the items identified in Section III.C.1 above, subject to the oversight of the Oversight Committee. Other rights and duties of the Distribution Trustee and the beneficiaries of the Distribution Trust shall be as set forth in the Distribution Trust Agreement.

5. Distribution Trust Agreement

The Distribution Trust Agreement generally will provide for, among other things: (i) the payment of reasonable compensation to the Distribution Trustee; (ii) the payment of other expenses of the Distribution Trust, including the cost of pursuing the claims assigned to the Distribution Trust; (iii) the retention of counsel, accountants, financial advisors or other professionals and the payment of their compensation; (iv) the investment of Cash by the Distribution Trustee within certain limitations; (v) the preparation and filing of appropriate Tax returns and other reports on behalf of the Distribution Trust and the Debtors and the payment of Taxes or other obligations owed by the Distribution Trust and the Debtors; (vi) the maintenance (if appropriate) of any going concern vested in the Distribution Trust (subject to the limitations described herein and therein); (vii) the orderly liquidation of the Distribution Trust's assets; and (viii) the litigation, settlement, abandonment or dismissal of the Recovery Actions or any other claims, rights or causes of action assigned to the Distribution Trust.

6. Reports to be Filed by the Distribution Trustee

The Distribution Trustee, on behalf of the Distribution Trust, shall File with the Bankruptcy Court (and provide to any other party entitled to receive any such report pursuant to the Distribution Trust Agreement), no later than 31 days after June 30 and December 31 of each calendar year, a semi-annual report regarding the administration of property subject to its ownership and control pursuant to the Plan, distributions made by it and other matters relating to the implementation of the Plan.

7. Fees and Expenses of the Distribution Trust

a. Distribution Trust Expenses shall be paid from the Distribution Trust as required, at the direction of the Distribution Trustee. Any Recovery Action Distribution Trust Expenses shall be paid solely from the Recovery Action Trust Account. Any Other Asset Distribution Trust Expenses shall be paid solely from the Other Asset Trust Account, subject to the provisions of Section II.F. Any General Distribution Trust Expenses shall be allocated one-half to the Recovery Action Trust Account and one-half to the Other Asset Trust Account, which allocated amounts may be drawn from such accounts to fund the Distribution Trust Expense Account.

b. In addition, the Distribution Trustee, on behalf of the Distribution Trust, may employ, without further order of the Bankruptcy Court, professionals (including professionals previously employed by the Debtors or the Creditors' Committee) to assist in carrying out its duties hereunder and may compensate and reimburse the expenses of these professionals from the appropriate Trust Account, based upon the nature of the work performed by such professional, without further order of the Bankruptcy Court, subject to the above limitations and any procedures established by the Distribution Trust Agreement.

8. Indemnification

The Distribution Trust Agreement may include reasonable and customary indemnification provisions for the benefit of the Distribution Trustee, the members of the Oversight Committee and/or other parties. Any such indemnification shall be the sole responsibility of the Distribution Trust and payable solely from the assets of the Distribution Trust.

9. Tax Treatment

The Distribution Trust is intended to be treated for U.S. federal income tax purposes in part as a liquidating trust described in Treasury Regulation § 301.7701-4(d) and in part as one or more Disputed Claims reserves treated either as discrete trusts taxed pursuant to Section 641 et seq. of the Internal Revenue Code (the "IRC") or as disputed ownership funds described in Treasury Regulation § 1.468B-9. For federal income tax purposes, the transfer of assets by the Debtors to the Distribution Trust will be treated in part as the transfer of assets by the Debtors to the holders of Allowed General Unsecured Claims, subject to any liabilities of the Debtors or the Distribution Trust payable from the proceeds of such assets, followed by the transfer of such assets (subject to such liabilities) by such holders to the Distribution Trust in exchange for interests in the trust, and in part as the transfer of assets by the Debtors to one more Disputed Claims reserves. The holders of Allowed General Unsecured Claims

will be treated for federal income tax purposes as the grantors and deemed owners of their respective shares of the assets in the Distribution Trust (subject to such liabilities), depending on their rights to distributions under the Plan. As grantors and deemed owners of such assets, the holders of Allowed General Unsecured Claims will be required to include in income their respective shares of the income, deductions, gains, losses and credits attributable to such assets. The holders of Allowed General Unsecured Claims will be required to use the values assigned to such assets by the Distribution Trustee for all federal tax purposes, including the recognition of income, deduction, gain or loss with respect to their Allowed Claims and any gain or loss recognized on the subsequent disposition of an asset in which the holder holds an interest. The Distribution Trust Agreement will contain certain provisions to comply with IRS guidance for trusts treated as liquidating trusts. Among other things, the agreement will (i) require that the Distribution Trust terminate no later than five years after the Effective Date, subject to extension with Bankruptcy Court approval, (ii) limit the Distribution Trustee's investment powers, (iii) limit the business operations carried on by the Distribution Trust to activities reasonably necessary to and consistent with the trust's liquidating purpose, (iv) prohibit the Distribution Trust from receiving or retaining Cash or cash equivalents in excess of an amount reasonably necessary to meet Claims and contingent liabilities or to maintain the value of the trust assets during liquidation and (v) distribute at least annually to the holders of Allowed General Unsecured Claims the Distribution Trust's net income and the net proceeds from the sale of Distribution Trust assets in excess of an amount reasonably necessary to meet Claims and contingent liabilities (including Disputed Claims) and to maintain the value of the Distribution Trust assets. Distribution Trust assets reserved for holders of Disputed Claims will be treated as one or more Disputed Claims reserves for tax purposes, which will be subject to an entity-level Tax on some or all of their net income or gain. No holder of a Claim will be treated as the grantor or deemed owner of an asset reserved for Disputed Claims until such holder receives or is allocated an interest in such asset. The Distribution Trustee will file all Tax returns on a basis consistent with the treatment of the Distribution Trust in part as a liquidating trust (and grantor trust pursuant to Treasury Regulation § 1.671-1(a)) and in part as one or more Disputed Claims reserves taxed as discrete trusts or disputed ownership funds, and will pay all Taxes owed from Distribution Trust assets.

10. Settlement of Claims

Except as otherwise provided in the Plan or the Distribution Trust Agreement, on and after the Effective Date, the Distribution Trustee may compromise or settle any Claims without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules and may pay the charges that it incurs on or after the Effective Date for Distribution Trust Expenses, professionals' fees, disbursements, expenses or related support services (including fees relating to the preparation of Professional fee applications) without application to the Bankruptcy Court.

11. Sales of Assets by Distribution Trust

In connection with the sale, liquidation, transfer, distribution or disposition of the assets of the Distribution Trust by the Distribution Trustee, the Distribution Trustee shall deposit any proceeds of the litigation or settlement of Recovery Actions into the Recovery Action Trust Account and shall deposit the proceeds of all other sales, liquidations, transfers to dispositions into the Other Asset Trust Account. The Distribution Trustee may conduct any sales or liquidations of non-Cash assets from the Distribution Trust on any terms it deems reasonable, without further order of the Bankruptcy Court.

12. Maintenance of Businesses by Distribution Trustee

Notwithstanding anything in Section III.C.1 above, the Distribution Trustee shall not be permitted to operate any businesses owned by the Distribution Trust as operating businesses unless the Distribution Trustee reasonably believes that: (a) (i) such business operations will either be profitable or (ii) the maintenance of the businesses will otherwise be in the best interests of the beneficiaries of the Distribution Trust, considered as a whole; and (b) the maintenance of the business is consistent with the Distribution Trust's liquidating purpose and reasonably necessary to conserve and protect such assets and provide for the orderly liquidation thereof.

D. Corporate Governance, Directors and Officers

1. Certificates of Incorporation and Bylaws

Consistent with Sections III.A and III.B above, each of the Debtors will cease to exist, and all existing certificates of incorporation and by-laws will be canceled, effective as of the Effective Date; accordingly, no new certificates of incorporation and by-laws will be necessary.

2. Directors and Officers

Consistent with Sections III.A and III.B above, each of the Debtors will cease to exist effective as of the Effective Date and, thus, no individuals will serve as directors, officers or voting trustees after the Effective Date.

3. Corporate Action

The Dissolution Transactions and the following corporate actions and transactions will occur and be effective as of the date specified in the documents effectuating the applicable Dissolution Transactions (or other transactions) or the Effective Date if no such other date is specified in such other documents, and will be authorized and approved in all respects and for all purposes without any requirement of further action by the Debtors, the Distribution Trustee or any other Person: (a) the establishment of the Distribution Trust; (b) the appointment of the Distribution Trustee to act on behalf of the Distribution Trust; (c) the transfer of assets into the Distribution Trust as set forth in the Plan; (d) the distribution of Cash pursuant to the Plan; (e) the adoption, execution, delivery and implementation of all contracts, instruments, releases and other agreements or documents related to any of the foregoing; (f) the adoption, execution and implementation of the Distribution Trust Agreement; and (g) the other matters provided for under the Plan involving the corporate structure of any Debtor or corporate action to be taken by or required of any Debtor or the Distribution Trustee.

E. No Revesting of Assets

The property of the Debtors' Estates shall not revest in the Debtors on or after the Effective Date but shall instead vest in the Distribution Trust to be administered by the Distribution Trustee in accordance with the Plan and the Distribution Trust Agreement.

F. Creation and Maintenance of Trust Accounts

1. Creation of Trust Accounts

On or prior to the Effective Date, appropriate Trust Accounts will be established and maintained in one or more federally insured domestic banks in the name of the Distribution Trustee or, if applicable and appropriate, the Third Party Disbursing Agent. The Other Asset Trust Account and Recovery Action Trust Account are required under the Plan, but the number and nature of any other Trust Accounts shall be determined by the Distribution Trustee. To effect distributions, the Distribution Trustee may establish and maintain multiple Trust Accounts, including, without limitation, multiple Other Asset Trust Accounts or multiple Recovery Action Trust Accounts.

2. Additional Funding of Trust Accounts

After the funding of the Trust Accounts on the Effective Date, each Trust Account will continue to be funded by the transfer of Cash through litigation or via the sale or dispositions of assets. Cash deposited in the Trust Accounts will be invested, held and used solely as provided in the Distribution Trust Agreement.

3. Closure of Trust Accounts

Upon obtaining an order of the Bankruptcy Court authorizing final distribution and/or closure of the Chapter 11 Cases, any funds remaining in the Trust Accounts shall be distributed in accordance with the Plan and the Distribution Trust Agreement, and the Trust Accounts may be closed.

G. Preservation of Causes of Action; Settlement Agreements and Releases; Exculpation

1. Preservation of Causes of Action; Recovery Actions

Except as provided in the Plan or in any contract, instrument, release or other agreement entered into or delivered in connection with the Plan, in accordance with section 1123(b) of the Bankruptcy Code, the Distribution Trustee will retain and may enforce any claims, demands, rights and causes of action that any Estate may hold against any Person to the extent not released under Section III.G.3 or otherwise, including the Recovery Actions. The Distribution Trustee may pursue such retained claims, demands, rights or causes of action, as appropriate, in accordance with the best interests of the beneficiaries of the Distribution Trust. Any recovery of Cash by the Distribution Trustee on account of Recovery Actions will be deposited in the Recovery Action Trust Account. A nonexclusive schedule of currently pending actions and claims brought by one or more Debtors is attached as Exhibit III.G.1. In accordance with and subject to any applicable law, the Debtors' inclusion or failure to include any right of action or claim on Exhibit III.G.1 shall not be deemed an admission, denial or waiver of any claims, demands, rights or causes of action that any Debtor or Estate may hold against any entity. The Debtors intend to preserve all such claims, demands, rights or causes of action as Recovery Actions (except to the extent any such claim is specifically released herein).

2. Comprehensive Settlement of Claims and Controversies

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan, including the releases set forth in Section III.G.3, will constitute a good faith compromise and settlement of all claims or controversies relating to the rights that a holder of a Claim or Interest may have with respect to any Allowed Claim or Allowed Interest or any distribution to be made pursuant to the Plan on account of any Allowed Claim or Allowed Interest. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtors, their Estates and their respective property and Claim and Interest holders and is fair, equitable and reasonable.

3. Releases

a. General Releases by Debtors

Without limiting any other applicable provisions of or releases contained in the Plan, as of the Effective Date, the Debtors, on behalf of themselves and their affiliates, the Estates and their respective successors, assigns and any and all entities who may purport to claim by, through, for or because of them will forever release, waive and discharge all Liabilities (including Derivative Claims) that they have, had or may have against any Released Party and the 2012 Indenture Trustee and its Representatives (in their capacities as such), except with respect to any obligations arising under the Plan; provided, however, that the foregoing provisions shall not affect the liability of any Person that otherwise would result from any act or omission to the extent that the act or omission is determined in a Final Order to have constituted intentional misconduct. Any such released Liabilities shall not be transferred to the Distribution Trust.

b. General Releases by Holders of Claims or Interests

Without limiting any other applicable provisions of or releases contained in the Plan or provided under the Bankruptcy Code, as of the Effective Date, in consideration for the consideration provided under the Plan, each holder of a Claim or Interest that votes in favor of the Plan, to the fullest

extent permissible under law, will be deemed to forever release, waive and discharge all Liabilities in any way relating to a Debtor, the Chapter 11 Cases, the Estates, the Plan, the exhibits to the Plan or the Disclosure Statement that such entity has, had or may have against any Released Party; provided, however, that the foregoing provisions shall not affect the liability of any Person that otherwise would result from any act or omission to the extent that the act or omission is determined in a Final Order to have constituted intentional misconduct.

c. Injunction Related to Releases

The Confirmation Order will permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, liabilities, rights of contribution or rights of indemnification released pursuant to the Plan, including pursuant to the releases in this Section III.G.3.

4. Exculpation

From and after the Effective Date, the Released Parties and the 2012 Indenture Trustee and its Representatives (in their capacities as such) shall neither have nor incur any liability to any Person for any act taken or omitted, or to be taken, in connection with the sale of the majority of the Debtors' assets to MD Investors or the Debtors' other postpetition liquidation activity, including the formulation, preparation, dissemination, implementation, confirmation or approval of the Plan, the exhibits to the Plan, the Disclosure Statement, the Distribution Trust Agreement or any other contract, instrument, release or other agreement or document provided in connection therewith; provided, however, that the foregoing provisions shall not affect the liability of any Person that otherwise would result from any such act or omission to the extent that the act or omission is determined in a Final Order to have constituted gross negligence or willful misconduct.

H. Limitations on Amounts to Be Distributed to Holders of Allowed Insured Claims

Distributions under the Plan to each holder of an Allowed Insured Claim will be in accordance with the treatment provided under the Plan for the Class in which such Allowed Insured Claim is classified, but solely to the extent that such Allowed Insured Claim has not yet been satisfied by the combination of distributions pursuant to this Plan and proceeds payable to the holder of such Allowed Insured Claim under any pertinent insurance policies and applicable law. Nothing in this Section III.H will constitute a waiver of any claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action or liabilities that any entity may hold against any other entity, including the Debtors' insurance carriers.

I. Cancellation and Surrender of Instruments, Securities and Other Documentation

Except as provided in any contract, instrument or other agreement or document entered into or delivered in connection with the Plan and except for purposes of distributions on account of Allowed Customer Note Claims, Allowed 2013 Senior Note Claims and Allowed 2012 Senior Subordinated Claims as contemplated by Section V.C, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan, all outstanding common stock, secured and unsecured notes, indentures, instruments and securities issued by any of the Debtors will be canceled and of no further force and effect, without any further action on the part of the Bankruptcy Court, any Debtor or the Distribution Trustee. The holders of or parties to such canceled instruments and securities will have no rights arising from or relating to such instruments and securities or the cancellation thereof, except the rights provided pursuant to the Plan; provided, however, that no distribution under the Plan will be made to or on behalf of any holder of an Allowed Claim evidenced by such canceled instruments or securities unless and until such instruments or securities are received by the applicable Disbursing Agent if required pursuant to Section V.M. Notwithstanding anything to the contrary in this provision, the 2012 Senior Subordinated Note Indenture and the 2013 Senior Note Indenture shall continue to exist for the purposes set forth in Section V.G below.

J. Release of Liens

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan, all Liens against the property of any Estate will be fully released and discharged, and all of the right, title and interest of any holder of such Liens, including any rights to any collateral thereunder, shall attach to and be enforceable solely against the same assets that are owned by the Distribution Trustee in which the holder of such Claim had a Lien, including any net proceeds of sales of such assets. All such Liens against the assets of the Distribution Trust shall be fully released and discharged upon the holder of the Liens receiving its full distribution under the Plan.

K. Effectuating Documents; Further Transactions; Exemption from Certain Transfer Taxes

1. Effectuating Documents and Further Transactions

Prior to the Effective Date, the Chief Liquidation Officer or any other officer of each Debtor, and after the Effective Date, the Distribution Trustee, will be authorized to execute, deliver, file or record such contracts, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate and implement the provisions of the Plan.

2. Exemption From Transfer Taxes

Pursuant to section 1146(a) of the Bankruptcy Code, the following will not be subject to any stamp Tax, real estate transfer Tax, mortgage recording Tax or similar Tax: (a) any transfer made by the Debtors to the Distribution Trust; (b) any sales made by the Distribution Trust to liquidate such assets in the trust and convert such assets into Cash; (c) any sales of assets made by the Debtors under section 363 of the Bankruptcy Code, to the extent that title to the assets being sold transfers after the Confirmation Date; (d) the making or assignment of any lease or sublease; (e) any Dissolution Transaction; (f) the making or delivery of any deed or other instrument of transfer under, in furtherance of or in connection with the Plan, including any merger agreements, agreements of consolidation, restructuring, disposition, liquidation or dissolution, deeds, bills of sale, or assignments executed in connection with any of the foregoing or pursuant to the Plan.

L. Implementation of Settlement with MD Investors

In accordance with the applicable provisions of the Sale Order, MD Investors will receive 50% of all distributions of Net Other Asset Cash made from the Distribution Trust. Distributions of such amounts shall only be made on Distribution Dates for holders of Allowed Claims in Class 3 and Class 4, as set forth in Article V below.

M. Substitution in Pending Legal Actions

On the Effective Date, the Distribution Trust or the Distribution Trustee, as applicable, shall be deemed to be substituted as the party to any litigation in which the Debtors are a party, including (but not limited to) (i) pending contested matters or adversary proceedings in the Bankruptcy Court, (ii) any appeals of orders of the Bankruptcy Court and (iii) any state court or federal or state administrative proceedings pending as of the Petition Date. The Distribution Trustee and its professionals are not required to, but may take such steps as are appropriate to provide notice of such substitution.

**ARTICLE IV.
TREATMENT OF EXECUTORY CONTRACTS
AND UNEXPIRED LEASES**

A. Rejection of Executory Contracts and Unexpired Leases

1. Rejection

Except as otherwise provided in the Plan, in any contract, instrument, release or other agreement or document entered into in connection with the Plan or in a Final Order of the Bankruptcy Court, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the Debtors will be deemed to reject each Executory Contract or Unexpired Lease not previously assumed, assumed and assigned or rejected during the Chapter 11 Cases, which includes, but is not limited to, the Executory Contracts and Unexpired Leases Identified on Exhibit IV.A. Parties that desire to object to the rejection of a specific Executory Contract or Unexpired Lease must file an objection to the Plan by the deadline for filing objections thereto.

2. Notice of Rejection

The Debtors will serve a notice on all known counterparties to Executory Contracts or Unexpired Leases that are to be rejected pursuant to the Plan. The notice shall provide parties in interest with the following information: (a) the identity of the contract or lease being rejected and (b) the procedures and bar date for asserting any claims arising from the rejection of the Executory Contract or Unexpired Lease. The failure of a party to an Executory Contract or Unexpired Lease to receive the notice to be provided under this section IV.A shall not prevent the rejection of the Executory Contract or Unexpired Lease.

3. Bar Date for Rejection Damages

In accordance with the Bar Date Order, and except as otherwise provided in a Final Order of the Bankruptcy Court approving the rejection of an Executory Contract or Unexpired Lease, Claims arising out of the rejection of an Executory Contract or Unexpired Lease must be Filed with the Bankruptcy Court on or before the later of: (a) 30 days after the Effective Date or (b) 30 days after such Executory Contract or Unexpired Lease is rejected pursuant to an order of the Bankruptcy Court. Any Claims not Filed within such applicable time periods will be forever barred from receiving a distribution from the Debtors or the Distribution Trust.

4. Special Provisions Relating to Niles, Illinois and Middleville, Michigan Premises

The Unexpired Lease associated with the Debtors' lease of real property for their Niles, Illinois facility shall be treated in accordance with the Dyne Agreement and, to the extent that the provisions of this Section IV.A conflict with the terms of the Dyne Agreement, the terms of the Dyne Agreement shall apply. The Unexpired Lease associated with the Debtors' lease of real property for their Middleville, Michigan Facility shall be treated in accordance with the Spirit Agreement, and, to the extent that the provisions of this Section IV.A conflict with the terms of the Spirit Agreement, the terms of the Spirit Agreement will apply.

B. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by a Debtor, including any Executory Contracts and Unexpired Leases assumed by a Debtor, that are not assigned to MD Investors or the Distribution Trustee will be considered repudiated by the Debtors as of the Effective Date, and the counterparties to such contracts, if they believe that such repudiation constitutes a breach of such postpetition agreement, must file a claim or Administrative Claim in accordance with the Plan or have their rights forever waived and released.

C. Pre-existing Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection or repudiation of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such Executory

Contracts or Unexpired Lease. Notwithstanding any applicable nonbankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts or Unexpired Leases, and any such rights shall vest in the Distribution Trust as of the Effective Date.

D. Payments Related to the Assumption of Executory Contracts and Unexpired Leases

1. Assumption and Assignment Generally

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document entered into in connection with the Plan, on the Effective Date, pursuant to section 365 of the Bankruptcy Code, the applicable Debtor shall assume each of the respective Executory Contracts and Unexpired Leases listed on Exhibit IV.D.1; provided, however, that the Debtors reserve the right, at any time prior to the Effective Date, to amend Exhibit IV.D.1 to: (a) delete any Executory Contract or Unexpired Lease listed therein, thus providing for its rejection under Section IV.A; or (b) add any Executory Contract or Unexpired Lease to Exhibit IV.D.1, thus providing for its assumption pursuant to this Section IV.D.1. The Debtors shall File Exhibit IV.D.1, and any amendments thereto, with the Bankruptcy Court. Nothing herein shall constitute an admission by a Debtor that any contract or lease is an Executory Contract or Unexpired Lease or that a Debtor has any liability thereunder.

2. Assignments to Distribution Trust

As of the Effective Date, any Executory Contract or Unexpired Lease identified upon Exhibit IV.D.1 shall be deemed assigned to the Distribution Trust, pursuant to section 365 of the Bankruptcy Code. Any Allowed Cure Amount Claims associated with the assumption and assignment of an Executory Contract or Unexpired Lease shall be paid by the Distribution Trustee from the Other Asset Trust Account.

As of the Effective Date, any of postpetition agreements identified upon Exhibit IV.D.2 shall be assigned to the Distribution Trust by operation of, and to the extent permitted by, applicable nonbankruptcy law governing assumptions and assignments.

3. Approval of Assumptions and Assumption Procedures

The Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions and assignments described in Sections IV.D.1 and IV.D.2, pursuant to section 365 of the Bankruptcy Code, as of the Effective Date. The procedures for assumption of an Executory Contract or Unexpired Lease, which shall be included in the Confirmation Order proposed by the Debtors, shall be as follows:

a. After the entry of the Confirmation Order, but prior to the Effective Date, the Debtors shall serve upon each party to an Executory Contract or Unexpired Lease being assumed pursuant to the Plan notice of: (i) the contract or lease being assumed or assumed and assigned; (ii) the Cure Amount Claim, if any, that the applicable Debtor believes it would be obligated to pay in connection with such assumption; and (iii) the procedures for such party to object to the assumption or assumption and assignment of the applicable contract or lease or the amount of the proposed Cure Amount Claim.

b. Any entity wishing to object to (i) the proposed assumption of an Executory Contract or Unexpired Lease under the Plan or (ii) the proposed amount of the related Cure Amount Claim must File and serve on counsel to the Debtors or the Distribution Trustee, as applicable, a written objection setting forth the basis for the objection within 20 days of service of the notice described in Section IV.D.3.a.

c. If no objection to the proposed assumption or Cure Amount Claim is properly Filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease: (i) the proposed assumption of the Executory Contract or Unexpired Lease shall be approved in accordance with the Plan and the Confirmation Order, effective as of the Effective Date, without further action of the Bankruptcy Court; and (ii) the

Cure Amount Claim identified by the Debtors in the notice shall be fixed and shall be paid to the appropriate contract or lease party identified on the notice on the Effective Date by the Distribution Trust.

d. If an objection to the proposed assumption or Cure Amount Claim is properly Filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease, the Debtors or the Distribution Trustee, as applicable, and the objecting party may resolve such objection by stipulation, without further action of the Bankruptcy Court.

e. If an objection to the proposed assumption or Cure Amount Claim is properly Filed and served prior to the objection deadline with respect to an Executory Contract or Unexpired Lease and the parties are unable to resolve such objection then: (i) either party may notice the dispute for hearing by Filing a notice of hearing in the Bankruptcy Court no later than 20 days prior to the hearing date; and (ii) the Debtors or the Distribution Trustee may File a reply to such objection no later than seven days prior to the proposed hearing date.

f. If, at a hearing scheduled pursuant to Section IV.D.3.e above, the Bankruptcy Court imposes requirements upon the Debtors or the Distribution Trustee as a condition to assuming an Executory Contract or Unexpired Lease, or if the Bankruptcy Court determines that the Cure Amount Claim for a particular Executory Contract or Unexpired Lease is in excess of the amount proposed by the Debtors or the Distribution Trustee, the Debtors or the Distribution Trustee may, within their sole discretion, choose to reject such Executory Contract or Unexpired Lease by filing an appropriate amendment to Exhibit IV.A, Exhibit IV.D.1 or Exhibit IV.D.2, as applicable, within seven days of the entry of a Final Order with respect to such matter.

ARTICLE V. PROVISIONS GOVERNING DISTRIBUTIONS

A. Distributions for Claims Allowed as of the Effective Date

Except as otherwise provided in this Article V, distributions of Cash to be made on the Effective Date to holders of Claims as provided by Article II or Article V that are allowed as of the Effective Date shall be deemed made on the Effective Date if made on the Effective Date or as promptly thereafter as practicable, but in any event no later than: (1) 60 days after the Effective Date; or (2) with respect to any particular Claim, such later date when the applicable conditions of Section IV.D (regarding cure payments for Executory Contracts and Unexpired Leases being assumed), Section V.E.2 (regarding undeliverable distributions) or Section V.M (regarding surrender of canceled instruments and securities) are satisfied. Distributions on account of Claims that become Allowed Claims after the Effective Date will be made pursuant to Section VI.C.

B. Method of Distributions to Holders of Claims

The Distribution Trustee, in its capacity as Disbursing Agent, or such Third Party Disbursing Agents as the Distribution Trustee may employ in its sole discretion, will make all distributions required under the Plan. Each Disbursing Agent may serve without bond, and any Disbursing Agent may employ or contract with other entities to assist in or make the distributions required by the Plan if approved by the Distribution Trustee.

C. Compensation and Reimbursement for Services Related to Distributions

Each Third Party Disbursing Agent providing services related to distributions pursuant to the Plan will receive from the Distribution Trustee, without further Bankruptcy Court approval, reasonable compensation for such services and reimbursement of reasonable out-of-pocket expenses (including reasonable attorneys' fees and disbursements) incurred in connection with such services, to be paid as a General Distribution Trust Expense.

D. Investment of Trust Accounts

To assist in making distributions under the Plan, the applicable Trust Accounts may be held in the name of the Distribution Trustee or in the name of one or more Third Party Disbursing Agents for the benefit of holders of Allowed Claims under the Plan, or a secondary Trust Account may be created in the name of the Third

Party Disbursing Agent for the purpose of making disbursements. The Distribution Trustee shall invest, or shall direct the Third Party Disbursing Agents to invest, Cash in the Trust Accounts, subject to the limitations established by the Distribution Trust Agreement; provided, however, that should such Distribution Trustee determine, in its sole discretion, that the administrative costs associated with such investment will exceed the return on such investment, it may direct the Third Party Disbursing Agent not to invest such Cash. Distributions of Cash from accounts held by Third Party Disbursing Agents will include a Pro Rata share of any interest or other proceeds, if any, from such investment of Cash, net of any Taxes payable with respect thereto.

E. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

Distributions to holders of Allowed Claims will be made by a Disbursing Agent: (a) at the addresses set forth on the respective proofs of Claim Filed by holders of such Claims or request for payment of Administrative Claim, as applicable; (b) at the address for a Claim transferee set forth in a valid and timely notice of transfer of Claim Filed with the Bankruptcy Court; (c) at the addresses set forth in any written notice of address change Filed with the Bankruptcy Court or delivered to the Disbursing Agent after the date of Filing of any related proof of Claim; (d) at the addresses reflected in the applicable Debtor's Schedules if no proof of Claim has been Filed and the Disbursing Agent has not received a written notice of a change of address; or (e) if clauses (a) through (d) are not applicable, at the last address directed by such holder after such Claim becomes an Allowed Claim.

2. Undeliverable Distributions Held by Disbursing Agents

a. Holding of Undeliverable Distributions

Subject to Section V.E.2.c, distributions returned to a Disbursing Agent or otherwise undeliverable will remain in the possession of the applicable Disbursing Agent pursuant to this Section V.E.2.a until such time as a distribution becomes deliverable. Any Disbursing Agent holding undeliverable Cash will invest such Cash in a manner consistent with the Distribution Trust Agreement.

b. After Distributions Become Deliverable

On each Distribution Date, the applicable Disbursing Agents will make all distributions that became deliverable to holders of Allowed Claims after the most recent Distribution Date but prior to the Interim Distribution Bar Date.

c. Failure to Claim Undeliverable Distributions

Any holder of an Allowed Claim that does not assert its right to an undeliverable distribution prior to the date that is 90 days prior to the Final Distribution Date will be forever barred from asserting any such claim against the Debtors, the Distribution Trustee, their respective property or the Trust Accounts. In such cases, unclaimed distributions will be maintained in the applicable Trust Account for redistribution to other claimants entitled to distribution from such Trust Account.

F. Distributions on Account of Allowed Claims in Class 1 and Class 2

Distributions to be made to holders of Allowed Claims classified in Class 1 or Class 2 under the Plan shall be made within 45 days of such claim becoming an Allowed Claim.

G. Distributions on Account of Certain Noteholder Claims in Class 4

1. Status of Indentures; Role of 2012 Indenture Trustee and 2013 Indenture Trustee

Distributions on account of Allowed 2013 Senior Note Claims and Allowed 2012 Senior Subordinated Note Claims shall be made to the 2013 Indenture Trustee and the 2012 Indenture Trustee, respectively,

and shall be made in accordance with this Plan. If distributions are made pursuant to the distribution provisions set forth in the respective indentures, the 2013 Indenture Trustee and the 2012 Indenture Trustee shall be entitled to retain and enforce against such distributions any charging liens and payment priorities under their respective indentures.

The 2012 Indenture Trustee and the 2013 Indenture Trustee shall not be required to give any bond, surety, or other security for the performance of its duties with respect to the administration and implementation of distributions.

Any and all distributions on account of Allowed 2012 Senior Subordinated Note Claims and Allowed 2013 Senior Note Claims shall be subject to the rights of the 2012 Indenture Trustee and the 2013 Indenture Trustee to exercise their rights and remedies under the applicable indenture against such distribution for any unpaid fees and expenses incurred prior to the Effective Date and any fees and expenses incurred in making distributions pursuant to this Plan.

The 2013 Senior Note Indenture and the 2012 Senior Subordinated Note Indenture shall continue to remain in effect after the Effective Date solely for the following purposes:

- a. allowing distributions to be made under the Plan pursuant to the applicable indenture and to permit the 2012 Indenture Trustee and the 2013 Indenture Trustee to perform such other necessary functions with respect thereto;
- b. permitting the 2012 Indenture Trustee and the 2013 Indenture Trustee to maintain or assert any charging lien they may have with respect to the distributions pursuant to the terms of the Plan for the fees and expenses of the 2012 Indenture Trustee or the 2013 Indenture Trustee, respectively;
- c. permitting the 2012 Indenture Trustee or the 2013 Indenture Trustee to exercise their rights and obligations relating to the interests of the 2012 Senior Subordinated Note Claims and the 2013 Senior Note Claims, respectively, including the right to appear and be heard in the Chapter 11 Cases and in any appeals; and
- d. permitting the exercise by the 2012 Indenture Trustee or 2013 Indenture Trustee of their rights under the subordination provisions of the 2012 Senior Subordinated Note Indenture and other applicable agreements.

2. Implementation of Indenture Provisions and Subordination Rights

To implement payment priorities, preserve the subordination rights of the holders of 2013 Senior Notes and to comply with the fee and expense provisions of the 2013 Senior Note Indenture and the 2012 Senior Subordinated Note Indenture, the following provisions will apply to distributions to be made under Class 4 to holders of Allowed 2013 Senior Note Claims and holders of Allowed 2012 Senior Subordinated Note Claims:

- a. At least 21 days prior to a Distribution Date, the Distribution Trustee shall advise the 2012 Indenture Trustee and the 2013 Indenture Trustee in writing of the amounts proposed to be distributed on account of 2012 Senior Subordinated Notes and 2013 Senior Notes.
- b. At least seven days prior to the Distribution Date, the 2012 Indenture Trustee shall provide the Distribution Trustee and the 2013 Indenture Trustee with invoices documenting its Unpaid Indenture Trustee Fee Amount.
- c. On the Distribution Date, distributions to be made to holders of Allowed 2012 Senior Subordinated Note Claims shall be made to the 2012 Indenture Trustee only to the extent necessary to satisfy any Unpaid Indenture Trustee Fee Amount for the 2012 Indenture Trustee. If any amount remains after the Unpaid Indenture Trustee Fee Amount for the 2012 Indenture Trustee has been satisfied, any excess shall be distributed to the 2013 Indenture Trustee on the Distribution Date.

d. Any amounts paid to the 2013 Indenture Trustee shall be utilized first to satisfy any Unpaid Indenture Trustee Fee Amount for the 2013 Indenture Trustee. Any excess shall then be distributed by the 2013 Indenture Trustee Pro Rata to the holders of Allowed 2013 Senior Note Claims or otherwise in accordance with the terms of the 2013 Senior Note Indenture.

e. If the holders of Allowed 2013 Senior Note Claims have been paid in full as calculated by the Distribution Trustee (and agreed to by the 2013 Indenture Trustee or, if not such agreement is reached, determined by order of the Bankruptcy Court), including payment of interest calculated at the default rate under the terms of the 2013 Senior Notes, then the provisions of subsections (c) and (d) above shall no longer apply, and, instead (1) no further distributions shall be made to any party on account of Allowed 2013 Senior Note Claims and (2) all distributions on account of Allowed 2012 Senior Subordinated Note Claims shall be made to the 2012 Indenture Trustee, first for the satisfaction of its valid Unpaid Indenture Trustee Fee Amounts and, second, to be distributed by the 2012 Indenture Trustee Pro Rata to the holders of Allowed 2012 Senior Subordinated Note Claims or otherwise in accordance with the terms of the 2012 Senior Subordinated Note Indenture.

H. Selection of Distribution Dates for Class 3 Claims and Class 4 Claims and Provision of Notice Thereof

Except where this Plan requires the making of a distribution on account of a particular Allowed Claim within a particular time, the Distribution Trustee shall have the authority to select Distribution Dates that, in the judgment of the Distribution Trustee, provide holders of Allowed Claims with payments as quickly as reasonably practicable while limiting the costs incurred by the distribution process; provided, however, that, unless the Oversight Committee directs otherwise, the first Distribution Date after the Effective Date must occur prior to December 31, 2010 and a Distribution Date must occur at least once every twelve months thereafter, if any amounts are available for distribution on such date. Upon the selection of a Distribution Date by the Distribution Trustee, the Distribution Trustee may file a notice of such Distribution Date with the Bankruptcy Court that provides information regarding the distribution to be made. If applicable, distributions also shall be made to MD Investors on the Distribution Dates.

I. Calculation of Amounts to Be Distributed to Holders of Class 3 Claims and Class 4 Claims

1. Reserve for Certain Claims Senior to Class 3 Claims and Class 4 Claims

Prior to any distribution to holders of Allowed Class 3 Claims or Allowed Class 4 Claims, the Distribution Trustee shall estimate the amount of Net Recovery Action Asset Cash and Net Other Asset Cash that will remain after payment of all Distribution Trust Expenses and the resolution and payment of all Administrative Claims, Cure Amount Claims, Priority Tax Claims, Priority Claims in Class 1 and Secured Claims in Class 2. Such estimations shall utilize assumptions that the Distribution Trustee will be unsuccessful in litigation with claimants with respect to any issue that is being reasonably contested. Such estimations shall also assume that any unresolved Recovery Actions shall result in no recovery for the Debtors' Estates and that remaining non-Cash assets shall produce no recovery for the Estates. Only if, after applying such assumptions, the estimated Net Recovery Action Asset Cash and Net Other Asset Cash is greater than zero shall the Distribution Trustee be permitted to make any distributions to holders of Allowed Class 3 Claims or Allowed Class 4 Claims.

2. Allowed Class 3 Claims and Allowed Class 4 Claims

On each Distribution Date, each holder of an Allowed Claim in Class 3 or Class 4 will receive a distribution of any Net Recovery Action Asset Cash and Net Other Asset Cash that has been determined to be available for distribution in accordance with Section V.I.1 such that each holder of an Allowed Claim in such classes has received, in the aggregate, its Pro Rata share of the amounts of Net Recovery Action Asset Cash and Net Other Asset Cash that are made available for distribution to such Claim holders under Sections II.B.3 and II.B.4. All distributions shall be made pursuant to the terms and conditions of the Plan and the Distribution Trust Agreement, and shall be subject to the Debtors' or the Distribution Trustee's rights of setoff or deduction.

3. De Minimis Distributions

On each Distribution Date prior to the Final Distribution Date, the Disbursing Agent shall not distribute cash to the holder of an Allowed Class 3 Claim or an Allowed Class 4 Claim if the amount of Cash to be distributed on account of such Claim is less than \$25 in the aggregate. Any Cash not distributed pursuant to this Section V.I.3 will be returned to the applicable Trust Account until the next Distribution Date. On the Final Distribution Date, if the aggregate amount of distributions to be made to such claimant is \$25 or greater, such distribution shall be made. Otherwise, the amount shall be redistributed to other holders of Allowed Claims in such Class and such holder of an Allowed Claim will be forever barred from asserting its Claim for such distribution against the Distribution Trust or its property.

J. Other Provisions Applicable to Distributions in All Classes

1. Postpetition Interest

No interest shall accrue on any Claims on and after the Effective Date.

2. Compliance with Tax Requirements

a. Each Disbursing Agent will comply with all Tax withholding and reporting requirements imposed on it by any governmental unit, and all distributions pursuant to the Plan will be subject to such withholding and reporting requirements. The Distribution Trustee and any Disbursing Agent will be authorized to take any actions that it determines, in its reasonable discretion, to be necessary or appropriate to comply with such withholding and reporting requirements.

b. Notwithstanding any other provision of the Plan or the Distribution Trust Agreement, each Person receiving or deemed to receive a distribution pursuant to the Plan will have sole and exclusive responsibility for the satisfaction and payment of any Tax imposed on such Person on account of such distribution.

3. Allocation of Distributions

All distributions to a holder of an Allowed Claim that has components of principal and interest will be deemed to apply first to the principal amount of such Claim until such principal amount is paid in full, and then the remaining portion of such distributions, if any, will be deemed to apply to any applicable accrued interest included in such Claim to the extent interest is payable under this Plan.

K. Distribution Record Date

1. As of the close of business on the Distribution Record Date, the transfer registers for the Prepetition Notes will be closed. The applicable Disbursing Agent (including any indenture trustee and the DTC) will have no obligation to recognize the transfer or sale of any Prepetition Notes that occurs after the close of business on the Distribution Record Date and will be entitled for all purposes herein to recognize and make distributions only to those holders who are holders of such Claims as of the close of business on the Distribution Record Date.

2. Transferees of Claims that are transferred pursuant to Bankruptcy Rule 3001 for which a notice of transfer has been Filed on or prior to the Distribution Record Date will be treated as the holders of such Claims for all purposes, notwithstanding that any period provided by Bankruptcy Rule 3001 for objecting to such transfer has not expired by the Distribution Record Date. No transfers Filed with the Bankruptcy Court after the Distribution Record Date shall be recognized by the Distribution Trustee or any Disbursing Agent.

3. The Distribution Trustee shall have the authority, but no obligation, to recognize transfers of Claim made after the deadlines set forth in Sections V.K.1 and V.K.2 above in its sole and absolute discretion.

L. Means of Cash Payments

Except as otherwise specified herein, Cash payments made pursuant to the Plan will be in U.S. currency by checks drawn on a domestic bank selected by the Distribution Trustee or, at the option of the Distribution Trustee, by wire transfer, electronic funds or ACH from a domestic bank; provided, however, that Cash payments to foreign holders of Allowed Claims may be made, at the option of the Distribution Trustee, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

M. Surrender of Canceled Instruments or Securities

The Distribution Trustee shall determine, in its sole discretion, if any requirement for surrendering canceled instruments or securities shall be applicable to the holders of Prepetition Notes or Customer Notes and, if so determined, shall File such requirement in the Bankruptcy Court and advise all known holders of Prepetition Notes or Customer Notes of such requirements and how they may comply with such requirements. Absent such a Filing, holders of Prepetition Notes or Customer Notes need not surrender their canceled instruments in order to be entitled to distributions under the Plan.

N. Setoffs

Except with respect to claims of a Debtor released pursuant to the Plan or any contract, instrument, release or other agreement or document entered into or delivered in connection with the Plan, the Disbursing Agents or a Third Party Disbursing Agent, as instructed by the Distribution Trustee pursuant to section 558 of the Bankruptcy Code or applicable nonbankruptcy law, may set off against any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Claim (before any distribution is made on account of such Claim) the claims, rights and causes of action of any nature that the applicable Debtor or the Distribution Trustee may hold against the holder of such Allowed Claim; provided, however, that neither the failure to effect a setoff nor the allowance of any Claim hereunder will constitute a waiver or release by the applicable Debtor or the Distribution Trustee of any claims, rights and causes of action that the Debtor or Debtors or the Distribution Trustee may possess against such a Claim holder, which are expressly preserved under section III.G.1.

**ARTICLE VI.
PROCEDURES FOR RESOLVING DISPUTED CLAIMS**

A. Treatment of Disputed Claims

1. Tort Claims

Each Tort Claim will remain a Disputed Claim until it becomes an Allowed Claim. The amount of a Tort Claim that is not otherwise settled and resolved by a Stipulation of Amount and Nature of Claim shall be determined and liquidated, in the discretion of the Distribution Trustee in either (a) the administrative or judicial tribunal of appropriate jurisdiction or (b) the United States District Court for the Southern District of New York. The Distribution Trustee shall provide written notice of its selection of the appropriate forum promptly after the Effective Date. Such judicial tribunal shall determine the amount of the Tort Claim, but shall not enter or enforce a judgment against the Debtors, their Estates or the Distribution Trust, as all distributions on account of Tort Claims resolved in accordance with this Section VI.A.1 shall be subject to and made in accordance with the Plan. All claims, demands, rights, defenses and causes of action that the Debtors may have against any Person in connection with or arising out of any Tort Claim are expressly retained and preserved.

2. No Distributions Pending Allowance

Notwithstanding any other provision of the Plan, no payments or distributions will be made on account of a Disputed Claim until such Claim becomes an Allowed Claim. In lieu of distributions under the Plan to holders of Disputed Claims on the Effective Date, the Distribution Trustee shall, in accordance with the Distribution

Trust Agreement, establish appropriate disputed claims reserves for all Disputed Claims, with such reserves held in the applicable Trust Accounts.

B. Objections to Claims

1. Authority to Prosecute

The Distribution Trustee may object to any Claims it believes warrant the Filing of an objection prior to the Claims Objection Bar Date. After the Effective Date, only the Distribution Trustee will have the authority to File, settle, compromise, withdraw or litigate to judgment objections to Claims, including pursuant to any alternative dispute resolution or similar procedures approved by the Bankruptcy Court. After the Effective Date, the Distribution Trustee may settle or compromise any Disputed Claim or any objection or controversy relating to any Claim without approval of the Bankruptcy Court.

2. Pending Objections

To the extent that the Debtors have filed objections to Claims that remain pending as of the Effective Date, the Distribution Trustee shall be substituted as the objecting party without further action of the parties or order of the Court.

3. Application of Bankruptcy Rules

To facilitate the efficient resolution of Disputed Claims, the Distribution Trustee shall, notwithstanding Bankruptcy Rule 3007(c), be permitted to file omnibus objections to claims in accordance with the order of the Bankruptcy Court dated October 30, 2009.

4. Authority to Amend Schedules

The Debtors and the Distribution Trustee, as applicable, will have the authority to amend the Schedules with respect to any Claim and to make distributions based on such amended Schedules (if no proof of claim is timely filed in response thereto) without approval of the Bankruptcy Court. If any such amendment to the Schedules reduces the amount of a Claim or changes the nature or priority of a Claim, the Debtors or the Distribution Trustee will provide the holder of such Claim with notice of such amendment and such parties will have 30 days to File an objection to such amendment in the Bankruptcy Court.

5. Request for Extension of Claims Objection Bar Date

Upon motion to the Bankruptcy Court, the Distribution Trustee may request, and the Bankruptcy Court may grant, an extension to the Claims Objection Bar Date generally or with respect to a specific list of Claims. Any extension granted by the Bankruptcy Court shall not be considered to be a Plan modification under section 1127 of the Bankruptcy Code.

C. Distributions on Account of Disputed Class 4 Claims Once Allowed

On each Distribution Date, the applicable Disbursing Agent will make all distributions on account of any Disputed Class 4 Claim that has become an Allowed Claim since the most recent Distribution Date. The timing and amount of such distribution shall be determined in accordance with sections V.G, V.H and V.I above.

**ARTICLE VII.
SUBSTANTIVE CONSOLIDATION**

A. Substantive Consolidation of the Debtors

Pursuant to the Confirmation Order, the Bankruptcy Court will approve the substantive consolidation of the Debtors for all purposes, including for the purpose of implementing the Plan, for purposes of voting, for assessing whether Confirmation standards have been met, for calculating and making distributions under the Plan and for filing post-Confirmation reports and paying quarterly fees to the Office of the United States Trustee. Pursuant to such order, as of the Effective Date: (A) all assets and liabilities of the Debtors will be deemed merged; (B) all guarantees by one Debtor of the obligations of any other Debtor will be deemed eliminated so that any Claim against any Debtor and any guarantee thereof executed by any other Debtor and any joint or several liability of any of the Debtors will be deemed to be one obligation of the consolidated Debtors; (C) each and every Claim Filed or to be Filed in the Chapter 11 Case of any Debtors will be deemed Filed against the consolidated Debtors and will be deemed one Claim against and a single obligation of the consolidated Debtors, and the Debtors may file and the Bankruptcy Court will sustain objections to Claims for the same liability that are Filed against multiple Debtors; and (D) Intercompany Claims between Debtors will be eliminated and extinguished. Such substantive consolidation will not affect (A) the legal and corporate structures of the Debtors, subject to the right of the Debtors to complete the Dissolution Transactions; (B) the vesting of assets in the Distribution Trust; (C) the right to distributions from any insurance policies or proceeds of such policies; or (D) the rights of the Debtors or the Distribution Trustee to contest alleged setoff or recoupment efforts by creditors on the grounds of lack of mutuality under section 553 of the Bankruptcy Code and otherwise applicable law.

B. Order Granting Substantive Consolidation

This Plan will serve as a motion seeking entry of an order substantively consolidating the Debtors, as described and to the extent set forth in Section VII.A above. Unless an objection to such substantive consolidation is made in writing by any creditor or claimant affected by the Plan, Filed with the Bankruptcy Court and served on the parties listed in Section X.F on or before the Voting Deadline, or such other date as may be fixed by the Bankruptcy Court, the substantive consolidation order (which may be the Confirmation Order) may be entered by the Bankruptcy Court. In the event any such objections are timely Filed, a hearing with respect thereto will occur at the Confirmation Hearing. Notwithstanding this provision, nothing herein shall affect the obligation of the substantively consolidated Debtors to (1) pay a single quarterly fee to the Office of the United States Trustee in accordance with 28 U.S.C. § 1930 based upon the consolidated disbursements made by the substantively consolidated Debtors or (2) seek the closing of their substantively consolidated Chapter 11 Case.

**ARTICLE VIII.
CONDITIONS PRECEDENT TO CONFIRMATION

The Bankruptcy Court will not be requested to enter the Confirmation Order, unless and until the following condition has been satisfied or duly waived pursuant to Section VIII.C:
